

Cornell Cooperative Extension | Rensselaer County

Agriculture and Life Sciences Building
61 State Street, Troy, NY 12180

P – 518-272-4210; F – 518-272-1648
rensselaer@cornell.edu; ccerensselaer.org

Effective August 4th, 2021 we are following CDC guidance as it applies to counties with significant COVID 19 spread. As a result, all staff/volunteers/visitors to our office and all programs/clubs/events that are carried out indoors will require all in attendance regardless of vaccination status wear a face cover.

We are also asking individuals that have been exposed to COVID-19 and or have been diagnosed with COVID-19 to refrain from attending any in-person programs and/or coming to our office for 10 days from exposure or positive test.

- Staff will **NO LONGER** complete Daily Health Screenings. HOWEVER, WE EXPECT ALL STAFF **DECLINE FROM PARTICIPATING IN PROGRAMS OR COMING TO THE OFFICE SHOULD THEY FIND THEMSELVES UNABLE TO PASS A HEALTH ASSESSMENT AND CONTACT THEIR SUPERVISOR IMMEDIATELY**
- Visitors/program participants will **NO LONGER** complete Daily Health Screenings. HOWEVER, WE EXPECT ALL PROGRAM PARTICIPANTS TO **DECLINE FROM PARTICIPATING IN PROGRAMS OR COMING TO THE OFFICE SHOULD THEY FIND THEMSELVES UNABLE TO PASS A HEALTH ASSESSMENT.**

Restrictions **NOT LIFTED** by the Association:

- Individual Program Safety Plans may still be in place and program participants will need to continue to complete and submit COVID 19 Waivers and follow these safety plans.
- At this point the building our offices are housed in is not unlocked at the main entry. Please call (518-272-4210) in advance if you plan to come to the office and follow instructions on the door. We look forward to serving you!

Thank you in advance for your cooperation as we start moving toward a new “normal” state of operation!

Building Strong and Vibrant New York Communities
